

Help to a Higher Degree

At KIPP Aspire Academy, we recognize that the best schools have a community of supporters behind them. If you are interested in creating a top-notch educational choice for underserved children in inner-city San Antonio, please consider the contribution you can make to our team and family.

Thank you for filling out and returning this form today!

Name: _____ Phone: _____ Date: _____

Organization: _____

Address: _____

Email: _____

Please check any and all that activities that interest you or someone you know.

_____ **Shape career pathways**

You will be invited to speak to a group of students one Wednesday this academic year about your career, education or an experience that has shaped you as a leader in our community. These "Town Meetings" are held weekly at 1:45 p.m. at our campus, 2-3 times every month.

_____ **Volunteer at KIPP Aspire Academy**

You will be invited to two annual service days to work hand-in-hand with students and teachers to make KIPP a better place. We are currently planning a landscaping project and an end-of-year graduation event for our KIPPsters.

_____ **Adopt A KIPPster**

KIPP Aspire spends an additional \$1,000 per student (extra time, trips, food, supplies, transportation, etc.) to ensure that our students are on a path to success. You can help offset these costs with an in-kind and/or financial donation. Your gift of any size is appreciated and tax-deductible.

_____ **Help spread the word**

KIPP plans to expand to reach more students in San Antonio. You can help build our base of supporters by bringing visitors to the school or hosting a small group at your home or business.

_____ **Here is another way I can help:**

Please fax this form to Martin Acevedo at (210) 735-7305, call us at (210) 279-5569, or e-mail Martin at macevedo@aspireacademy.org. Thank you for your support!
